Welcome to CREW

Nestled in the heart of Colchester, CREW winery is more than just a vineyard: it is a testament to passion, artistry and the pursuit of exceptional flavors.

Founded in 2001 by the dynamic duo Bernie & Nancy Gorski, CREW has grown from a dream into a destination where wine, art and culinary delights converge.

The story of CREW begins with 12 acres of vinifera vines, lovingly planted by the Gorski family. Our first vintage was released in 2004 and we have been creating award winning wines with the help of our winemaker Ryan Oldridge ever since.

In 2019 we proudly unveiled the CREW Winery & Gallery where our executive chef Vanessa Parent creates culinary delights throughout the entire year.

Contact our General Manager Tanya Sammut for more details.
